

## School Fees 2024

### January Enrolments

For parents who enrol their children at the school in January, all fees are payable for **11 months of the year**. School fees are payable before the 1<sup>st</sup> of each month, commencing in **January 2024 until November 2024**. School fees as well as the required once-off deposit are payable in advance and the first payment would therefore be due no later than 1 January 2024.

### Post January Enrolments

In the event that a child joins the school in any other month from February 2024, December fees are applicable and payable by 01 December 2024.

Please remember that a late payment levy of R100.00 per day will be enforced for unpaid fees after the 1<sup>st</sup> of the month. School fees paid annually in advance, by 31 January 2024, will attract a 5% (five percent) discount on the amount payable for the year and this payment is non-refundable. A 5% sibling discount per additional child is offered to parents who enrol more than one child.

### Deposit

A once-off mandatory deposit is required when enrolling in the school. In order to secure your child's place at the school, please ensure that the deposit and first month's school fees are settled. No place will be held without this payment confirmation.
